

Individual Membership

I hereby join the WordAlone Network, an association of Lutheran individuals and churches that is committed to the goal of unity in Christ alone through His Word alone. I stand together with WordAlone members:

- As children of God who have been saved by grace through faith alone in the death and resurrection of Jesus Christ alone.
- As members of the ELCA who believe that the Holy Scriptures and the Lutheran Confessions provide a solid foundation upon which we can confidently base our faith, beliefs and practices; the Scriptures are God's revealed Word to us, spoken in Law and Gospel, and are the final authority for us in all matters of our faith and life.
- As believers who, because of conscience and theological integrity, embrace, accept, believe and practice freedom in all non-essentials.

I maintain that the ELCA should not mandate that all future ELCA bishops be installed into the historic episcopate and that all future pastors should be free to select the person or persons who will ordain them.

Guided by Holy Scripture and the Lutheran Confessions, I will stand together with like-minded brothers and sisters in Christ for the purpose of carrying forth mission, ministry, worship, education, fellowship, and service
